

Reconstructive Urologic Surgery: Pediatric And Adult

38

Medical Professionals

For the third consecutive year, the doctors of University Urology Associates of New Jersey have been recognized by fellow medical practitioners to be among the best urologists in the Garden State. We continually strive to provide comprehensive state-of-the-art urological services with emphasis on patient education and shared decision making. Treating patients with compassion, dignity, mutual respect, and trust remains our steadfast goal.

At University Urology Associates, we specialize in:

- Adult Urology
- Pediatric Urology
- Urologic Oncology
- Male Infertility
- Sexual Dysfunction
- Urodynamics
- Stone Disease
- Female Urology
- Laparoscopic Surgery
- Robotic Surgery
- Reconstructive Urology

University Urology Associates of New Jersey was established in 2003 and is proud to be serving Mercer, Monmouth, and Ocean counties. Our mission is to be a solutions-based practice, maximizing the value of the service we deliver our patients with commitment to excellence, integrity, innovation, and treatment.
